

DR. TEMECA L. RICHARDSON (DR. T)

Certified Executive Coach | Speaker | Author | Podcast Host | Course Expert

I am OBSESSED with helping as many Christian women as possible launch their knowledge based business. I specialize in making the start be as easy as possible while staying true to one's faith, voice, and calling. I love to teach, create courses, podcast, and learn as much as I can so that I can positively impact others.

### Signature Topics Include

- How to launch a knowledge based business
- How to quickly package your knowledge to sell
- How to write a course in 6-steps (or less)
- Overcoming the limiting beliefs that stop your business from growing
- Why self-care IS your business and why it should be part of your business plan
- (Open to other topic ideas)
